RECORD CLUB OF AMERICA

The World's Largest and Lowest Priced Record and Tape Club

Club Headquarters • York, Pennsylvania 17405

**Choose 3 Free Stereo L.P.'s or 1 Free Tape
(cartridge or cassette) worth up to \$20.94...
with no obligation to buy another L.P. or Tape ever!**

Dear Sir,

This is the way you want it--the only record and tape club with no strings attached. If you don't like being charged almost double for your records and tapes...read on. Imagine paying as little as 99¢ each for brand-new records and tapes (cartridges and cassettes)--any artist, any label you wish! Even for records and tapes which retail up to \$5.98, \$6.98, \$7.98 and more. And WITH ABSOLUTELY NO OBLIGATION TO BUY ANYTHING EVER!

Yes, these are the amazing benefits of Record Club of America, the world's largest record and tape club. And to introduce you to this unique service we want you to choose any 3 stereo LPs or any 1 tape (cartridge or cassette) shown in the enclosed brochure, worth up to \$20.94, as our FREE gift when you join. And there's never any obligation to buy another LP or tape for the rest of your life. Included are such hit albums as Jesus Christ Superstar, Woodstock Two, Three Dog Night: Golden Biscuits, Crosby, Stills, Nash & Young: Four Way Street, Elton John: Tumbleweed Connection--plus many, many more!

Since you are not in the record or tape business, you may not know this--but every LP and tape now on the market could be sold for almost HALF THE PRICE it sells for now.

HOW CAN YOU START GETTING RECORDS AND TAPES AT ALMOST HALF PRICE?

By joining the more than two million happy record and tape buyers, including many of America's leading schools and libraries, as members of Record Club of America. Here is a club which was created to serve the record and tape buyer by offering the lowest prices, unlimited selection, without obligation. Record Club of America is not only different from every other record and tape club, it has a distinct advantage over every other source of record and tape purchasing--you are assured of the lowest prices on any record or tape available from any manufacturer at any time!

PAY AS LITTLE AS 99¢ ON THOUSANDS OF STEREO LPs AND TAPES OFFERED THROUGH-OUT THE YEAR SUCH AS:

5th Dimension	Flip Wilson	B.B. King	Neil Diamond
Melanie	Cal Tjader	Rod McKuen	Stephen Stills
Brewer & Shipley	Gordon Lightfoot	Bert Kaempfert	Aretha Franklin
Bobby Sherman	Ferrante & Teicher	Virgil Fox	Elton John

For example, in a recent typical "extra discount" sale we offered the following \$4.98, \$5.98, and \$6.98 LPs and tapes at savings of 63% or more to our members. A savings of up to \$4.42 per LP.

	<u>List Price</u>	<u>Average Club Price</u>
Andy Williams--Love Story.....	\$5.98	\$2.25
Anne Murray.....	\$5.98	\$2.25
Ed Ames--This Is.....	\$6.98	\$2.56
2001--A Space Odyssey.....	\$6.98	\$2.56
Mary Travers--Mary.....	\$4.98	\$1.96
Creedence Clearwater--Pendulum.....	\$4.98	\$1.96

	<u>List Price</u>	<u>Average Club Price</u>
Miles Davis--Bitches Brew.....	\$5.98	\$2.25
Love Story--Soundtrack.....	\$5.98	\$2.25
Perry Como--It's Impossible.....	\$5.98	\$2.25
Bloodrock--3.....	\$5.98	\$2.25

Sensational sales throughout the entire year on thousands of albums and tapes save you from 33-1/3% to 79% on all your record and tape purchases--prices as low as 99¢, plus a small handling and mailing charge...even for records and tapes sold elsewhere for \$4.98, \$5.98 and \$6.98. You are guaranteed to save at least 1/3 off or more.

YOU MAY NEVER HAVE TO BUY ANOTHER RECORD OR TAPE AGAIN!

In the past year, we have given away millions of free LPs and tapes to club members, for their enrolling other money-saving record and tape consumers to the Club. Once you join our Club, you too can get free records and tapes by introducing friends to the Club. The more new members you sign up, the more free selections you receive!

HOW CAN YOU GET AT ALMOST HALF PRICE THE SAME RECORDS AND TAPES
OTHER RECORD CLUBS MUST SELL AT FULL PRICE?

Because Record Club of America is the only record and tape club of it's kind, one

NOT OWNED by any record or tape manufacturer...

NOT CONTROLLED by any record or tape manufacturer...

and therefore, NOT OBLIGATED, through loyalty or company policy, to push any one label or honor the list prices of any manufacturer. Plus, Record Club of America does not require you to buy any records or tapes with your membership.

Thanks to new mass production techniques, today's records and tapes are far less costly to manufacture. We feel they should be far less costly to buy, too. Yet, LP records and tapes (which are produced not in the thousands, but in the millions) still cost up to \$6.98--the same price you had to pay before mass production.

Why is this? Why haven't record and tape clubs been able to do what book clubs have done--and pass the savings of mass production on to their members? Because...they were all owned by the record and tape manufacturers. And one cannot expect these clubs to be interested in keeping record and tape prices down--when they are controlled by the manufacturers who want to keep prices up.

But Record Club of America is not controlled by the record and tape industry. That is why it is able to offer you records and tapes at HALF PRICE, sometimes even less! (Don't be fooled by seemingly similar clubs which are owned and controlled by record or tape manufacturers.)

YOU CAN CHOOSE FROM ALL LABELS--NO RESTRICTIONS

Ordinary clubs are bound by "company policy". They don't like to offer competing labels. (Columbia Record Club won't offer you Capitol records and vice-versa. Records/Tapes Unlimited, owned by Columbia, limits your selections by offering their own labels over 90% of the time and not even sending a master catalog--and charges extra for certain labels. Citadel Record Club, owned by Capitol Records and Longine Symphonette, obligates you to buy 12 records and spend at least \$59.76 in 18 months. They also charge 50¢ extra for their master catalog and an additional 50¢ above their club price for every record that you buy from it. These clubs send you cards each month which you must return or you'll be billed and it costs you almost an additional \$1.00 per year in postage alone to return the cards.) But we are not bound by the policies of any manufacturer. We can offer all labels. Our Giant Master Disc & Tape Catalog, which we give you free, contains thousands of listings of all labels. There is no extra fee or separate division to join in order to buy tapes (cartridge or cassette). We never restrict you. COLUMBIA, RCA, ANGEL, LONDON, DUNHILL, WARNER BROTHERS, DECCA, ATLANTIC, A & M, ELEKTRA, even foreign labels included--the entire recording catalog is at your fingertips. No exceptions--even newest releases.

- * No other record or tape club, or other sources of records and tapes, guarantees such outstanding savings on both records and tapes--with absolutely no obligation to buy ever!
- * No other club offers both records and tapes (cartridges and cassettes included).
- * No other club offers what you want, when you want it. You don't receive those bothersome IBM cards that you have to send back to prevent unwanted records and tapes (and an obligation to pay for them).
